

# Recombinant Human APC Protein Product Manual

## 1. Product Basic Information

**Product No.:** REP06150

**Protein Name:** Adenomatous Polyposis Coli (Apc) (APC)

**Aliases:** GS; DP2; DP3; BTPS2; DESMD; DP2.PPP1R46; adenomatous polyposis coli (APC); adenomatous polyposis coli protein; APC, WNT signaling pathway regulator; APC regulator of Wnt signaling pathway; epididymis ...

**UniProt ID:** P25054

**UniProt Link:** <https://www.uniprot.org/uniprotkb/P25054/entry>

**Species Source:** Homo sapiens (Human)

**Expression System:** E.coli

**Protein Length:** Partial (960-1337aa)

**Molecular Weight:** 49.8 kDa

**Protein Tag:** N-terminal 10xHis-tagged and C-terminal Myc-tagged

## 2. Amino Acid Sequence (960-1337aa)

## 3. Storage Buffer

**Liquid Delivery Form:** Tris/PBS-based buffer with 5%-50% glycerol. Custom glycerol content is available upon customer request (please specify requirements when placing orders).

**Lyophilized Powder Delivery Form:** Pre-lyophilization buffer is Tris/PBS-based buffer containing 6% Trehalose.

## **4. Storage Conditions**

Upon receipt, store the product at -20°C or -80°C. It is recommended to aliquot the protein for multiple uses to avoid repeated freeze-thaw cycles, which may cause protein denaturation and activity loss.

## **5. Product Description**

This product is a recombinant Human APC partial protein (960-1337aa) expressed in E.coli. The protein is dual-tagged with 10xHis tag at the N-terminus and Myc tag at the C-terminus, which facilitates protein purification, detection and identification. APC, also known as GS or DP2 or DP3, is suitable for related in vitro functional assays, protein interaction studies, antibody preparation and other biomedical research applications.

## **6. Notes**

- Repeated freezing and thawing of the product is strictly prohibited to ensure protein stability and biological activity.
- For special buffer component requirements, please submit a note when purchasing.
- This product is only for scientific research use, not for clinical diagnosis, treatment or commercial production purposes.
