5. Product Description

This product is a recombinant Human ADRA2A partial protein (233-389aa) expressed in E.coli. The protein is with 6xHis tag at the C-terminus, which facilitates protein purification, detection and identification. ADRA2A, also known as ADRA2 or ADRAR or FPLD8, is suitable for related in vitro functional assays, protein interaction studies, antibody preparation and other biomedical research applications.
