

Recombinant Human ELP3 Protein Product Manual

1. Product Basic Information

Product No.: REP06768

Protein Name: Elongator Complex Protein Elongation Protein 3 Homolog (ELP3)

Aliases: elongator complex protein elongation protein 3 homolog; tRNA uridine(34) acetyltransferase; protein lysine acetyltransferase ELP3; elongator acetyltransferase complex subunit 3

UniProt ID: Q9H9T3

UniProt Link: <https://www.uniprot.org/uniprotkb/Q9H9T3/entry>

Species Source: Homo sapiens (Human)

Expression System: Yeast

Protein Length: Full Length (1-547aa)

Molecular Weight: 63.8 kDa

Protein Tag: C-terminal 6xHis-tagged

2. Amino Acid Sequence (1-547aa)

3. Storage Buffer

Liquid Delivery Form: Tris/PBS-based buffer with 5%-50% glycerol. Custom glycerol content is available upon customer request (please specify requirements when placing orders).

Enlibio Wuhan Enlibio Biotech Co.,Ltd Manuals version5.9

Lyophilized Powder Delivery Form: Pre-lyophilization buffer is Tris/PBS-based buffer containing 6% Trehalose.

4. Storage Conditions

Upon receipt, store the product at -20°C or -80°C. It is recommended to aliquot the protein for multiple uses to avoid repeated freeze-thaw cycles, which may cause protein denaturation and activity loss.

5. Product Description

This product is a recombinant Human ELP3 full length protein (1-547aa) expressed in Yeast. The protein is with 6xHis tag at the C-terminus, which facilitates protein purification, detection and identification. ELP3, also known as elongator complex protein elongation protein 3 homolog or tRNA uridine(34) acetyltransferase or protein lysine acetyltransferase ELP3, is suitable for related in vitro functional assays, protein interaction studies, antibody preparation and other biomedical research applications.

6. Notes

- Repeated freezing and thawing of the product is strictly prohibited to ensure protein stability and biological activity.
- For special buffer component requirements, please submit a note when purchasing.
- This product is only for scientific research use, not for clinical diagnosis, treatment or commercial production purposes.
